The City Weekend Away 2019

Help! What do I say?

Every Christian believes that the good news of Jesus is worth speaking about – and we all know that we ought to be speaking. But how do we actually go about doing it, and what should we do when we don't feel like it? Over the weekend we shall be thinking about the motivation for making Jesus known and how we can best communicate the most important truths our friends and colleagues will ever hear.

What is it?

A highly recommended opportunity to engage with God's Word and be encouraged in our service of Christ. A chance to relax, be refreshed, enjoy the countryside and get to know others.

Who is it for?

People of all ages and stages are welcome: singles, marrieds, children and teenagers; long-standing Christians, sceptics, and enquirers. While the adults meet, the children and teenagers are given first-class Bible teaching and activities by the St Helen's youth and children's ministry team.

What can I expect?

Our programme of events is carefully crafted for you to make the most of the Bible talks, activities, free time and beautiful surroundings.

Friday

Arrival and evening meal; welcome and orientation (child care available).

Saturday morning

Whole-group teaching, small group discussion and personal study (with ample coffee breaks); full children's programme.

Saturday afternoon
